

MINUTES OF THE MEETING ON 12.07.2013 AT MADURAI

On 12-07-13 morning I visited Govt; Hospital Melur. Visited the Operation theater and ward 500 etc. C-ARM is under repair. Dealer came and estimated the repair charge is about Rs;175000./They also require one Double Doomed shadow less Light and the approximate amount is Rs; 220000/; There is one Boyle's apparatus of 30 years old which is repaired repeatedly. Dealer came and estimate the repair charge will be around Rs;75000 with Tax while the new one is Rs 91000/. I asked them to send a proposal in " tnhealthinsurance@gmail.com". The allotted man power [doctor] is 22. One is vacant one doctor is paraplegic one is diverted to Thirumangalam Govt. Hospital more than three years and the fourth man is sentenced to IPC 302. There is shortage of staff nurse and advise them to appoint as contract through agency.

Review meeting started at 3;00 PM. While the review,

- 1] Project Director advised to improve the CMCHIS performance of Government hospitals Cumbam, Devakottai, Thirumangalam and especially Karaikudi
- 2].Project Director advised the Government hospitals Keelakarai and to disperse the incentive Immediately.
- 3] In Ramanathapuram Govt. Hospital there is a wide gap in between the preauth and claim [action point DD; Satheesh]
- 4] In Sivagangai Medical College a huge amount is kept ideally in the account
- 5] In the review meeting, both the Dean and the Nodal officer of Theni Medical College are absent. Their CMCHIS Performance is very poor. Project Director advised the Prof; of pediatrics of same.
- 6] While the review, the Dean and Nodal officer of Govt. Rajaji Hospital Madurai complained that," we are not aware of Diagnostic center and separate ID". The DPO explained everything that already gave the Diagnostic center ID...Project Director advised to conduct Nodal Officers review meeting at TNHSP.[action point JD i/c Ravibabu]. Trauma ward to be opened shortly.[action point Dean Rajaji Hospital]. PWD officer to handover the building before 23-07-2013.They sent proposal for 1.5 crore [details not given].The Dean complain about the shortage of Anesthetist and carry out the work by Anesthetist students. Project Director ask the Dean to get approval from the DME.
- 7] In General the report given by them to TNHSP and oral report submitted in presence of Project Director is indifferent.

For Project Director
